

# VIKING SPECIAL EVENTS CENTURY CLUB

You are invited to become a member of the Viking Special Events Century Club. As in the past years, it will feature up-front seats to selected events during the school year. This club helps provide financial assistance for the music programs at Lakeland Christian School.

We will reserve the front row of seats in the audience for members. These seats will be held until five minutes before the start of the program. If you know you will be arriving late, let us know and we will hold your seats! You may also let friends use your seats if you will not be attending one of the programs by informing us of their names.
