

Performing Arts Patrons

2021-2022

The LCS Fine Arts Department invites you to participate as a Performing Arts Patron for the 2021-2022 school year. Our goal is to raise sufficient funds to purchase 6 digital pianos and 1 acoustic piano for our Piano Lab and Voice Studio. These would replace existing instruments that are vital to our entire department and are used every day by students grades K5-12. This is the only campaign that we do all year to support the Fine Arts Department, and the entire project requires approximately \$30,000.

We invite you to join us as we strive to meet our goal for this year. In return, your membership will provide reserved seating for specific special events throughout the school year which are listed below.

Performing Arts Patrons will be seated in the front reserved section for each event. These seats will be held until five minutes before the start of the program.
