

July 2022

Dear Parent,

The voices of happy “Camp LCS” children echo from the pavilion as I bring you summer greetings from LCS! The myriad of camp offerings is providing varied experiences for our campers as well as relief for parents.

Construction on the high school building is progressing, and we are encouraged to see the Forging a Firm Foundation Capital Campaign thermometer edging upwards towards our \$19.1M goal. Our matching challenge gift opportunity is still in place, and we’d love to have wide-spread participation from LCS families to close the gap.

Over 50 faculty members gathered for our Faculty Summer Institute last month as we focused on honing the cultivation of the gospel-centered classroom, biblical strategies for addressing gender and sexuality issues with our children, as well as the challenges of the digital age. The engagement of the teachers was high and planning of classroom implementation has begun.

We are grateful for continued strong enrollment and have very few openings for the coming year. We are planning a “Back to School Bash” on August 12 to celebrate the return to school and provide an opportunity for families to get to know one another. “Building Community Together” will be the focus of the evening. More details to follow.

Please join us in extending a warm welcome to the following newcomers to the LCS staff: Kaylin Albright and Nikki Davis (3rd grade), Tamara Battaglia (4th grade tech para), Morgan Brownlee (HS English), Francie Foster (MS English), Kaylin Fowler (MS English), Charissa Kesler (piano), Mayra Neville (HS Spanish), Jason Roloff (HS Bible/Social Studies) and Lexi Walton (3rd grade tech para). Stephanie Terry moves from part time to full time as our school psychologist. Bryant Black (HS Bible/Social Studies in 21-22) brings a wealth of experience into his new role as Director of Curriculum and Instruction in the Secondary School.

Thank you for your partnership in Christian schooling at LCS. We look forward to our 68th year of Education in the Light of God’s Word. If we can be of help to you, please call on us.

Cordially,

Mike Sligh, Ed. D.
Head of School

P.S. You will find information on the new school year under the Parent Resources tab on the website www.lcsonline.org. Please keep your contact information updated so that you can stay informed of school news and events.
