

Changes to After-School Supervision

1

We will be charging daily instead of monthly. You will only be charged for supervision service if your student(s) attend supervision that day.

2

The supervision service will be charged to your FACTS account per use, in the same way that lunches are charged.

3

No need to select a monthly plan. You will use the School Dismissal Manager (SDM) app to notify the school that your student is using supervision. If your student will be using the service regularly, you can set this up as your "Default" in the SDM app.

Reminders

- Elementary carline ends at 3:00 PM each day. Students not picked up by 3:00 PM will be sent to supervision and charged based on usage.
- For elementary students whose transportation home is a secondary student driver, we offer supervision for free as long as the older sibling is there to pick up the elementary student immediately at the end of the school day.
- Supervision closes at 6:00 PM. Late charges may be billed if you pick your student up after 6PM.
